Game: Age of Empires II: The Conquerors ; Size: 2.3 GB ; File name: AoE2-conquerors-v1.0-fra.zip, Age of Empires II: The Conquerors Expansion? More info at I've no way to show my CD/DVD drive with this program... Jun 07, 2006 Q: Will UITableView and UICollectionView be appered in IOS 6? I mean will they be a part of UIKit or it is another SDK in IOS 6. And which SDK version is it? And will there be any special code which will be used for using it? And is there any list which says what SDK version will get what kind of frameworks? A: They will be present in iOS 6. But, they are not part of the SDK. As you can see from the image below. They are part of the Foundation framework. There are lots of classes associated with them as well as classes for creating them. Such as the UITableViewController. They aren't part of the UIKit framework. They provide a different user experience. UIKit is the framework for building apps that operate in the UI layer of the OS. Q: Can you edit a file's meta description in Windows? What happens if the is not present in my HTML code? For example, I want to edit a web page's description so it contains a link to my home page: I know I can find the meta description via the browser, but does Microsoft Word let me change it for the file itself? A: No, Microsoft word doesn't allow the modification of these meta-data tags. You may have to check if the website has enough reputation in order to have the edit permissions. Q: emberjs ArrayController not passing parent object's to child? I am working through an ember tutorial that introduces controllers at the point of creating a View. I am a little confused why I am getting this specific error f678ea9f9e
